The Scottish Government

01 December 2010

Dear Sir/Madam

ELECTRICITY ACT 1989
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND) REGULATIONS 2000

ADDENDUM TO SECTION 36 APPLICATION FOR A DEMONSTRATION WIND TURBINE AT FIFE ENERGY PARK, METHIL

On 26th April 2010, 2-B Energy submitted an application under section 36 of the Electricity Act 1989 for the Scottish Ministers' consent to construct and operate a demonstration Wind Turbine at Methil. However, due to the relocation of the turbine to below Mean Low Water Springs (MLWS) an addendum to the application accompanies this letter.

Marine Scotland asks for your comments on the attached addendum within 28 days of the date of this letter.

Can you please send your response electronically to Env_Prot@scotland.gsi.gov.uk

Yours sincerely

Leeanne Mullan
