Subject: RE: 002/TIDE/SPR - 2: MS LOT to MSS: ScottishPower Renewables: Sound of Islay Tidal Demonstration Array: ES Consultation: 26 May 2014

Ali, Paul,

I've read through the documents associated with this amended proposal and, as the changes are pretty minor from my perspective, I have nothing to add to previous comments at this stage.
Regards,

Mike

Paul,

Please see attached letter for a consultation on the ScottishPower Renewables: Sound of Islay Tidal Demonstration Array.

<< File: Sound of Islay Initial Consultation Letter.pdf >>
The documents can be found on the g:drive at:

G:\Renewables\Environmental_Statements\Tidal\SPR Sound of Islay\2014 Application\Environmental Statement

The cover letter and marine licence application are below:

<< File: 2014_S36 and Marine Licence Application Cover Letter.pdf >> << File: 2014_Marine Licence Application.pdf >>

Once I receive a copy of the Environment Statement on CD, I can forward this to MSS if anybody requires it.

Please can MS LOT have MSS comments by the **4th July 2014**

Paul, in your absence (away on Scotia) and after talking with Andronikos, I have cc'd in the MSS colleagues you would normally consult to make them aware of the consultation and allow maximum time to give comments. Feel free to follow up with your normal consultation email to MSS colleagues on your return.

If anyone cannot access the g:drive to see the documents, please contact me.

Many thanks

Ali
