Notice is hereby given that Inch Cape Offshore Limited (ICOL), incorporated under the Companies Acts (Registered Number SC373173), and having its registered office at 5th Floor, 40 Princes Street, Edinburgh, EH2 2BY has applied to the Scottish Ministers for:

1. Two consents, pursuant to Section 36 of the Electricity Act 1989, to construct and operate Inch Cape Offshore Wind Farm 15-22 km off the Angus coastline to the east of the Firth of Tay (Central Grid Reference 56.49456364, -2.195559075), comprising up to 213 turbines, spaced a minimum of 820 metres apart with a maximum height to blade tip of 215 metres from the lowest astronomical tide and a minimum blade clearance of 22 metres from the highest astronomical tide;
2. Declaration under Section 36A of the 1989 Act to extinguish public rights of navigation so far as they pass through those places within the Scottish Marine Area where structures forming part of the Offshore Wind Farm and Offshore Transmission Works are to be located but not, for the avoidance of doubt, the areas of sea between those structures (Section 36A Declaration);
3. Two marine licences pursuant to Section 20 of the Marine (Scotland) Act 2010 (the 2010 Act) for the deposit of substances and objects, and the construction, alteration or improvement of the wind farm which will include the construction of the wind turbines, up to 3 meteorological masts and up to 3 metocean buoys, the laying of inter-array cables and other associated works; and
4. One marine licence pursuant to Section 20 of the Marine (Scotland) Act 2010 (the 2010 Act) for the deposit of substances and objects, and the construction, alteration or improvement of the offshore transmission works required in connection with the wind farm which will include the laying of up to 6 subsea export cables approximately 84km in length from the boundary of the wind farm to a landfall in East Lothian, at either Seton Sands or Cockenzie, up to 5 offshore substations and other associated works.

A copy of the applications, with their respective plans showing the areas to which they relate, together with a copy of the Environmental Statement discussing ICOL's proposals in more detail and assessing the environment impacts of the proposal, are available for inspection, free of charge, during their usual opening hours at:

Any representations to the application should be made by email to The Scottish Government, Marine Scotland Licensing Operations Team mailbox at [ICOL@scotland.gsi.gov.uk](mailto:ICOL@scotland.gsi.gov.uk)

**or**

by post to The Scottish Government, Marine Scotland Licensing Operations Team, Marine Laboratory, PO Box 101, 375 Victoria Road, Aberdeen, AB11 9DB identifying the proposal and specifying the grounds for representation, not later than **5<sup>th</sup> September 2013**.

Representations must state the reasons for objecting or supporting a proposal, be dated and clearly state the name of the person, or persons, representing and include a full return email or postal address of those making the representation. Representations that do not include all of the above information will be considered invalid.

When initial comments from statutory consultees are received further public notices will give advice on how this information may be viewed by members of the public, and how representations may be made to Scottish Ministers. During the consideration of the proposal, Scottish Ministers may formally request further information to supplement the Environmental Statement and this will also be advertised in such a manner.

Where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry to be held.

Following receipt of all views and representations, Scottish Ministers will determine the application for consent in one of three ways:

- Consent the proposal as it stands;
- Consent the proposal with or without conditions attached; or
- Reject the proposal

#### Fair Processing Notice

The Marine Scotland Licensing Operations Team process applications under The Marine (Scotland) Act 2010, the Marine and Coastal Access Act 2009 and The Electricity Act 1989. During the consultation process letters of representation can be sent to Scottish Ministers in support of or objecting to these applications.

Should Scottish Ministers call a Public Local Inquiry (PLI), copies of these representations will be sent to the Directorate of Planning and Environmental Appeals for the Reporter to consider during the inquiry. These representations will be posted on their website with address (home and email), signature and home telephone number redacted (blacked out).

Copies of representations will also be issued to the developer on request, again with address (home and email), signature and home telephone number redacted.

You can choose to mark your representation as confidential, in which case it will only be considered by Scottish Ministers and will not be shared with the Planning Authority, the developer, the Reporter (should a PLI be called) or any other third party.
