Dear Sir/Madam,

### **Proposed Windfarm: Beatrice**

In relation to the above planning condition, we can confirm that the radar mitigation agreed with Beatrice Offshore Windfarm Limited under a legal agreement has now been implemented to our satisfaction.

We are therefore satisfied that the turbine blades can be fitted to turbines and that the above condition can be discharged. It is therefore requested that written confirmation is given that turbine blades may be fitted in accordance with the condition.

We trust this letter will suffice in assuring the Scottish Ministers that NERL is agreeable to you discharging this planning condition and we therefore invite the Scottish Ministers to provide their approval of the fitting of blades to the turbines at Beatrice Wind Farm.

Please acknowledge receipt of this letter and confirm that the above planning condition has been discharged.

Yours faithfully

**Alasdair Auld (Mr)**
