Dear Sir/Madam,

Hywind Wind Farm Planning Condition 017/OW/HYWD-11

In relation to the above planning condition, we can confirm that the radar mitigation agreed with Hywind (Scotland) Limited under a legal agreement has now been implemented to our satisfaction.

We are therefore satisfied that the turbines can be erected for the purposes of the above condition, subject to on-going compliance with the Primary Radar Mitigation Scheme. It is therefore requested that written confirmation is given that turbines can be erected in accordance with the condition.

Please acknowledge receipt of this letter.

Mr Sacha Rossi
