Our Ref: 003/OW/BOWL - 8

19<sup>th</sup> July 2017

Dear Mr Wilson,

**ELECTRICITY ACT 1989**

**MARINE (SCOTLAND) ACT 2010 & MARINE AND COASTAL ACCESS ACT 2009, PART 4  
MARINE LICENSING**

**OFFSHORE WIND FARM, MARINE LICENCE CONDITION 3.2.2.6**

Thank you for your correspondence of 29<sup>th</sup> June 2017, requesting that Marine Scotland Licensing Operations Team (“MS-LOT”) give their written confirmation that the requirements of condition 3.2.2.6 of the Offshore Wind Farm (“OFW”) Marine Licence (licence number: 04462/16/0), ‘Noise Registry’, are partially satisfied.

MS-LOT has received evidence that interim noise registry forms for the first quarter (Q1) have been submitted by BOWL to the UK Marine Noise Registry (online at <https://mnr.incc.gov.uk/>) and can therefore confirm, on behalf of the Scottish Ministers, that this partially satisfies condition 3.2.2.6 of the Offshore Wind Farm (“OFW”) Marine Licence (licence number: 04462/16/0). Noise registry forms must continue to be completed at quarterly intervals during piling to fully satisfy condition 3.2.2.6.

Yours sincerely,

Nicola Bain  
Marine Scotland Licensing Operations Team
