Dear ██████████

TELFORD OFFSHORE WIND FARM

AUTHORISATION FOR THE ASSIGNATION OF A CONSENT GRANTED IN ACCORDANCE WITH SECTION 36 OF THE ELECTRICITY ACT 1989

The Scottish Ministers hereby authorise the assignation of the Telford Offshore Wind Farm Section 36 Consent dated 19th March 2014 (varied on 22nd March 2018) by the Assignor to the Assignee, in accordance with condition 4 of Part 1 of Annex 2 to the Consent, subject to the following conditions.

I am sending a letter in identical terms to the Assignee also.

Conditions

1. The assignation must be given no later than 4 weeks of the date of this letter and must be intimated by the Assignee to the Scottish Ministers by sending to them a certified copy of the assignation no later than 2 weeks of the date of the giving of the assignation.
2. If the assignation, and intimation, are not given within the time periods specified in condition 1 then the Scottish Ministers' authorisation for the assignation is no longer valid in which case a new authorisation would require to be given by the Scottish Ministers under condition 4 of Part 1 of Annex 2 to the Consent before any assignation may be given.
3. The Assignee must give written notice of the assignation to the relevant Planning Authority within 1 week of the date on which the assignation is given.
4. For the avoidance of doubt, the Assignee is required to comply with all the conditions of the Consent (except in so far as any condition has, prior to the date of the giving of the assignation, been fully implemented and does not have continuing effect). This requirement also means that the Assignee, in terms of condition 4 of Part 1 of Annex 2 to the Consent, is

not permitted to further assign the Consent without the prior written authorisation of the Scottish Ministers.

5. The Assignee must confirm to the Scottish Ministers that they will, following the assignation, honour, in full, any community benefit package which has, prior to the date of the giving of the assignation, been agreed between the Assignor and any relevant authorities.

6. The Assignee must confirm to the Scottish Ministers that the relevant Planning Authority has been notified of the transfer of assignation in terms of condition 3 above.
