6. Scotland's National Marine Plan

Have you considered the application with reference to Scotland's National Marine Plan?  

[ ] YES  [ ] NO

If YES, provide details of considerations made including reference to the policies that have been considered:

I have looked at the SNM Plan and consider that a mooring for a small boat in an area which already has a number of existing moorings will not adversely affect the immediate marine environment.
I also think the visual affect will be negligible - see attached photographs.

If NO, please provide an explanation of why you haven't considered the National Marine Plan?
