Our Ref: EMEC:053/TIDE/GM

Date 1st July 2018

Dear Mr Metson,

MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

A MARINE LICENCE UNDER PART 4 OF THE MARINE (SCOTLAND) ACT 2010 FOR MARINE RENEWABLES RECOVERY AND REMOVAL OF SUBSTANCES OR OBJECTS IN THE EUROPEAN MARINE ENERGY CENTRE, FALL OF WARNESS, BERTH 1, ORKNEY.

LICENCE NUMBER: 06724/18/0

I refer to your email dated 31st May 2018 requesting a marine licence for a time extension for the removal of the steel sub-frame and associated ballast at berth 1 of the Falls of Warness.

I am pleased to inform you that the licensing authority has no objections to this and I enclose licence number 06724/18/0. Please be advised that the licensing authority are hesitant to grant another marine licence with a time extension in the future. Please ensure that the full and total removal of the steel sub-frame and associated ballast is carried out under this licence.

You must carefully check the licence and if there are any errors you should contact me immediately.

I must draw your attention to the following specific conditions and explain what action we require from you;

Condition 2.5 & 2.6 Persons responsible for the deposits of the substances or objects and Persons acting on behalf of the licensee you must provide us with this information, as and when any vessels or contractors are confirmed.

Condition 3.2.2.1 Commencement date of the works you must notify us of the proposed commencement date of the works 1 week prior to the intended date.

Condition 3.4.1 Date of completion of the works you must notify us no less than 1 week following the completion of works.

Condition 3.4.2 Nature and quantity of removed substances and objects you must submit a final audit report no less than 1 month following the completion of the works.

In addition as per your Decommissioning Plan please submit to us your 1.1.9 Pre-Uplift Survey reports, the reports listed under 1.1.11 'Reporting' section and also the results from your ROV survey undertaken as mentioned under the 'Restoration of Site Heading' on page 25 of your approved Decommissioning Plan.

If circumstances arise which necessitate changes or extension to this licence you must advise the licensing authority immediately.

Yours sincerely,

Jessica Drew
