Dear [REDACTED]

Application to Disturb Marine Species, Neart na Gaoithe Offshore Wind Limited

Further to your request dated 23 May 2019 for a revision to licence number MS EPS 04 2019 0 in relation to a geophysical survey at the Neart na Gaoithe Offshore Wind Farm area and Export Cable Corridor, please find enclosed a copy of the revised licence MS EPS 04 2019 1.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 30 September 2019. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Please quote the licence number if you require to contact us again regarding this matter.

Yours sincerely,
