Dear Ms Arthur,

**Application to Disturb Marine Species, Inch Cape Offshore Limited**

Further to your email dated 1 August 2019 in relation to geophysical survey works within Inch Cape Offshore Windfarm Development Area and the Offshore Export Cable Corridor, please find enclosed a copy of the revised licence, MS EPS 16 2018 3. Please quote the licence number should you require to contact us again regarding this matter.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under *The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007*, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 30 September 2019. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely
