Dear ██████████

Application to Disturb Marine Species, Inch Cape Offshore Limited

Further to your email dated 29 May 2019 in relation to geophysical survey works within Inch Cape Offshore Windfarm Development Area and the Offshore Export Cable Corridor, please find enclosed a copy of the revised licence, MS EPS 16 2018 2. Please quote the licence number should you require to contact us again regarding this matter.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under *The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007*, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 30 September 2019. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely

██████████
