

Legend

- 4.56 Heights relative to CHART DATUM.
- 12<sub>2</sub> Depths relative to CHART DATUM.
- Sea-bed contour relative to CHART DATUM.
- Mean High Water Springs
- Mean Low Water Springs

Note:  
 Surveyed positions of the onshore boreholes are based on a best-fit of the boreholes survey to the lighting tower and Station 3 of the original survey.  
 Surveyed levels of the borehole locations are based on fitting to previous survey levels.
