by post to The Scottish Government, Marine Scotland, Marine Laboratory, PO Box 101, 375 Victoria Road, Aberdeen, AB11 9DB identifying the proposal and specifying the grounds for representation, not later than 05 April 2013

Representations should be dated and should clearly state the name (in block capitals) and full return email or postal address of those making representations.

When initial comments from statutory consultees are received further public notices will give advice on how this information may be viewed by members of the public, and how representations may be made to Scottish Ministers. During the consideration of the proposal, Scottish Ministers may formally request further information to supplement the Environmental Statement and this will also be advertised in such a manner.

Where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Inquiry to be held.

Following receipt of all views and representations, Scottish Ministers will determine the application for consent in one of three ways:

- Consent the proposal as it stands;
- Consent the proposal with or without conditions attached; or
- Reject the proposal
