

Wireframe 1: Orkney Islands - South Ronaldsay, Brough - 45.86km to nearest turbine

Wireframe 2: Tarbat Ness, Lighthouse - 58.98km to nearest turbine

Wireframe 3: Lossiemouth, Harbour - 53.53km to nearest turbine

This wireframe is based upon Ordnance Survey data with spot heights at 50m intervals and does not precisely model small scale changes in landform or sharp breaks in slope. The wireframe model does not allow for the screening effects of vegetation or buildings. The model of turbine shown is similar to that proposed for the development.
