

Table of Contents

Volume 4: Appendices

Appendix 2.1: Marine Planning Policy Review

Appendix 5.1: Offshore HDD Construction Noise Assessment

Appendix 5.2: Construction Noise and Vibration Technical Note

Appendix 6.1: List of Cumulative Projects

Appendix 7.1: Benthic characterisation survey report (EMU, 2010)

Appendix 7.2: Atlantic Salmon – Appraisal of Original EIA Determinations

Appendix 8.1: Neart na Gaoithe Offshore Wind Farm Noise Modelling – Technical Report

Appendix 8.2: iPCoD Population Modelling Technical Report

Appendix 8.3: European Protected Species Licence Assessment

Appendix 9.1: Population and density estimates of seabirds at within the Ornithology Study Area

Appendix 9.2: Baseline surveys – Summary of key species data

Appendix 9.3: Collision Rate Modelling Technical Appendix

Appendix 9.4: Displacement matrices for Forth and Tay Area

Appendix 9.5: Mainstream Kittiwake and Auk Displacement Study – Westermost Rough (APEM. 2017)

Appendix 9.6: GPS tracking maps for kittiwake, guillemot and razorbill from CEH tagging studies.

Appendix 9.7: GPS tracking maps for breeding gannets from Bass Rock.

Appendix 9.8: Population Viability Analysis (PVA) Technical Report

Appendix 9.9: Cumulative Assessment Additional Calculations

Appendix 10.1: Commercial Fisheries Technical Report

Appendix 11.1: Navigational Risk Assessment

Appendix 11.2: AIS Traffic Validation Report

Appendix 11.3: MGN543 Checklist

Appendix 12.1: Radar Line of Sight Analysis Technical Report

Appendix 13.1: Gazetteer of Wrecks, Obstructions and Geophysical Anomalies

Appendix 13.2: Gazetteer of Onshore Setting Receptors

Appendix 14.1: SLVIA Technical Report
