Dear Sir or Madam

TOWN AND COUNTRY PLANNING (MARINE FISH FARMS PERMITTED DEVELOPMENT) (SCOTLAND) ORDER 2011

On 23 February 2011 the Town and Country Planning (Marine Fish Farms Permitted Development) (Scotland) Order 2011 came into force. You can view this at <http://www.legislation.gov.uk/ssi/2011/144/contents/made>.

This Order grants planning permission for the operation of marine fish farms which meet the criteria specified in the Order.

Those marine fish farm(s) that are operated by your company and which we understand meet these criteria are stated overleaf. We have also provided the information we hold about equipment permitted by your Crown Estate lease, or Works Licence (where relevant). Where equipment was placed into the water before 2007 and differs from that on your Crown Estate lease or Works Licence you should clarify this with the Planning Authority who has enforcement responsibility.

This is not a definitive statement of the legal position which depends upon meeting the criteria in the Order but merely represents our understanding of the position based on the information we have available to us. The criteria are set out below:

(a) the farm is situated in one of the named marine waters specified in the Schedules to the Order;
