Date: 01 February 2022

Dear Miss Fairbairn,

MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

MOWI Scotland Ltd – Existing Marine Farm – Kingairloch, Loch a'Choire

I refer to your application for a licence in respect of the above proposal.

I am pleased to inform you that the licensing authority has no objections to the issue of the requested licence, and I therefore enclose licence number 00009433. You are advised to carefully check the licence and schedule documents. If there are any errors, please inform the licensing authority immediately.

You should note that the licence includes a condition requiring that a written report should be submitted to the licensing authority detailing all deposits made under authority of the licence. This report should be submitted on the form found on our website:

<https://www.gov.scot/binaries/content/documents/govscot/publications/advice-and-guidance/2020/02/marine-licensing-applications-and-guidance/documents/applications/fep5---deposit-return-form/fep5---deposit-return-form/govscot%3Adocument/Template%2B-%2BAttestation%2BForm%2B%2528Deposit%2529.docx>

I would also draw your attention to the licence conditions relating to amendment of the licence or schedule documents. If circumstances arise which necessitate changes to your licence you should advise the licensing authority as soon as possible. After a licence has expired, it cannot be amended or extended in any way, and a new licence application (accompanied by the relevant fee) is required. Processing the new application may take up to fourteen weeks from the date of receipt of the application fee.

If you wish to continue operating the marine farm after **01 February 2028**, please ensure a new licence application is submitted at least fourteen weeks prior to this date.

Northern Lighthouse Board wish to discourage the practice of marking outlying anchor points with buoys (unless specifically requested by local users), and recommend that alternative means to locate anchors are utilised. Allowing loose floating lines around site equipment is also strongly discouraged as this can cause serious safety implications for other mariners.

Under the Marine Licensing Appeals (Scotland) Regulations 2011 (S.S.I. 2011/203), you are entitled to appeal if you are dissatisfied with any condition in the licence. An appeal may be lodged in any sheriff court in Scotland and must be lodged no later than 21 days after the date of this letter.

All correspondence or communications relating to this letter or the licence document should be sent to the address below.

Yours sincerely,

Claire Crookston
Licensing Operations Team
