#### EXPLANATORY NOTE FOR RE-APPLICATION

The owner of Duncraig Castle has an existing Marine Licence ref. 07041/19/0 for a pontoon installation at the property. Construction of the new pontoon at this location was not commenced until February this year and was completed over March and April. The pontoon layout however differs from that which was previously approved and this application is to update and regularise the licence for the new layout.

The pontoon layout is shown on the attached plans and was obtained second-hand from Mallaig Lifeboats and this was a preferred option to a new pontoon purchase.

It is an offence under the Act under which this application is made to fail to disclose information or to provide false or misleading information.

Marine licence applications will not be accepted unless accompanied by a cheque for the correct application fee, or if an invoice is requested, until that invoice is settled. Target timelines for determining applications do not begin until the application fee is paid.
