## Marine Licence Application for Finfish and Shellfish Farms

Version 1.0

## Marine (Scotland) Act 2010

It is the responsibility of the applicant to obtain any other consents or authorisations that may be required.

Under Section 54 of the Marine (Scotland) Act 2010, all information contained within and provided in support of this application will be placed on a Public Register. There are no national security grounds for application information not going on the Register under the 2010 Act.

Publ	lic Register	
	you consider that any of the information contained within or provided in solid not be disclosed:	support of this application
(a)	for reasons of national security;	YES 🗌 NO 🔳
(b) provi	for reasons of confidentiality of commercial or industrial information where ided by law to protect a legitimate commercial interest?	e such confidentiality is YES  NO
	S, to either (a) or (b), please provide full justification as to why all or part o ded should be withheld.	of the information you have
	*	

### WARNING

It is an offence under the Act under which this application is made to fail to disclose information or to provide false or misleading information.

Target duration for determination is 14 weeks. Please note that missing or erroneous information in your application and complications resulting from consultation may result in the application being refused or delayed.

Marine licence applications will not be accepted unless accompanied by a cheque for the correct application fee, or if an invoice is requested, until that invoice is settled. Target timelines for determining applications do not begin until the application fee is paid.
