Our Ref: 003/OW/BOWL - 8

29th January 2016

Dear Mr Wilson,

CONSENT UNDER SECTION 36 THE ELECTRICITY ACT 1989 (AS AMENDED) AND A MARINE LICENCE UNDER PART 4 OF THE MARINE (SCOTLAND) ACT 2010 AND MARINE AND COASTAL ACCESS ACT 2009 TO CONSTRUCT AND OPERATE THE BEATRICE OFFSHORE WIND FARM AND TRANSMISSION WORKS, OUTER MORAY FIRTH.

Thank you for your correspondence dated 15th January 2016 requesting that Marine Scotland Licensing Operations Team ("MS-LOT") give their written approval to the revised Lighting and Marking Plan (LMP) (Revision 2, issued 15/01/2016) and correspondence dated 29th January 2016 confirming that the LMP has been provided to Highland Council, Moray Council, the JNCC and SNH. Acceptance of the LMP will satisfy the requirements of condition 20 of the Section 36 Consent and the requirements of condition 3.2.2.14 of the Offshore Transmission Works (OfTW) Marine Licence (licence number: 04461/14/1).

MS-LOT, on behalf of the Scottish Ministers, have consulted with the Marine and Coastguard Agency, Northern Lighthouse Board, Civil Aviation Authority and the Defence Infrastructure Organisation and can confirm that the submitted LMP fulfils the requirements of, and is sufficient to fully discharge condition 20 of the Section 36 Consent and condition 3.2.2.14 of the OfTW Marine Licence (licence number: 04461/14/1), subject to it being fully implemented.

Any updates or amendments made to this LMP by the Company, must be submitted in writing by the Company to the Scottish Ministers for their written approval. Any subsequent LMP once approved, should be sent to Highland Council, Moray Council, the JNCC and SNH.

Yours sincerely,

Nicola Bain
Marine Scotland Licensing Operations Team
