6 June 2016

Dear Ms Sleightholme,

**EUROPEAN OFFSHORE WIND DEPLOYMENT CENTRE – CONDITION 14 –
DESIGN STATEMENT**

Thank you for your letter of 3rd June 2016 regarding condition 14 and the required Design Statement.

Further to our subsequent letter to yourself, also dated 3rd June, regarding Ministers satisfaction of the current iteration of the Design Statement, I can confirm that should Aberdeen Offshore Wind Farm Ltd take account of the consultee responses received, and address the points made in your letter, then I am confident the Scottish Ministers will be able to discharge condition 14.

Yours sincerely

Mark Christie
