Dear Madam,

Aberdeen Bay Wind Farm Planning Condition Number 8

In relation to the above planning condition, we can confirm that the mitigation agreed with Aberdeen Offshore Wind Farm Limited under a legal agreement has now been implemented to our satisfaction.

We are therefore satisfied that the turbines can be erected for the purposes of the above condition, subject to on-going compliance with the Radar Mitigation Scheme. It is therefore requested that written confirmation is given that turbines can be erected in accordance with the condition.

Please acknowledge receipt of this letter.

Yours faithfully

Mr Sacha Rossi
