MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

HYWIND (SCOTLAND) LTD : SEDIMENT SAMPLING, PARALLEL TO THE FORTIES  
PIPELINE SYSTEM IN ASSOCIATION WITH HYWIND SCOTLAND PILOT PARK, OFF  
PETERHEAD

I acknowledge receipt of your email dated 19 July 2016 in respect of the above proposals.

I can confirm that the sediment sampling works as outlined will be exempt from the requirement to obtain a licence under Part 4 of the above Act. The exemption is applied under Section 18B of The Marine Licensing (Exempted Activities) (Scottish Inshore and Offshore Regions) Amendment Order 2012. Please note, however, that this approval does not abrogate your responsibility to obtain the approval of other interested parties. Marine Scotland would recommend informing BP of the works.

We would be grateful if you could notify Marine Scotland when the works are complete.

Thank you for consulting with us on this matter.

Yours sincerely

Rosanne Dinsdale  
Licensing Operations Team
