Dear Sir/Madam,

Beatrice Offshore Windfarm Ltd ("BOWL"), having received consent under the above legislation and in order to discharge conditions of their Section 36 Consent, has submitted to the Licensing Authority the documents attached.

Please find enclosed a proposed and covering letter addressed to MS-LOT from BOWL. The purpose of the CaP-OWF is to attempt to satisfy the requirements of condition 19 of the Section 36 Consent, awarded to BOWL on the 19<sup>th</sup> March 2014.

The Decision Letter and Conditions, as well as other relevant documents, can be found on our website, following the link below:

<http://www.gov.scot/Topics/marine/Licensing/marine/scoping/Beatrice>

The condition states that the plan is to be submitted to the Scottish Ministers for their written approval following a consultation with the JNCC, SNH, MCA and any such other advisors as may be required at the discretion of the Scottish Ministers. MS-LOT, on behalf of the Scottish Ministers, would also like to invite comments from the SFF on the attached CaP-OWF.

We would appreciate any comments you may have on the attached CaP-OWF in order to determine whether it is fit for purpose for the Scottish Ministers to give it their written approval. Please note that we do not seek comments on the Consent nor on the conditions, which will not be amended.

If you wish to submit any comments, please send them to [MS.MarineRenewables@gov.scot](mailto:MS.MarineRenewables@gov.scot) before the **28<sup>th</sup> June 2016**.

Best regards,  
Catarina
