VIEWPOINT 2 - Keiss Pier (nr Keiss Harbour House)

Grid Ref: 335059, 960928

Distance to nearest turbine: 27.8km

AOD: 12m

Keiss High Street runs off the A99 and ends by winding down to the historic harbour and pier. The camera point is on a grass verge at the corner of High Street on the far side of the road from Harbour Cottage. It was set a metre on to the verge and about 5 metres from a lamppost at the junction of the corner of High Street and a small tarmac footpath leading to an information board and views over the harbour and pier.

Photomontage
