**VIEWPOINT 5 - Sarclet (Sarclet Haven info board)**

Grid Ref: 334989, 943320      Distance to nearest turbine: 15.2km      AOD: 40m

The camera point is at the end of an unnamed minor road that leads from the A99 to Sarclet Haven. The road ends in a turning point between two dwellings and two information boards set into a low plinth. The camera was set close to where a small but distinct track runs through long grass to the cliff edge; it was about a metre from the path entrance and three metres from the information boards.
