Dear Ove Vold,

**Application to Disturb Marine Species, Hywind (Scotland) Ltd**

Further to your application received 25 July 2016 in relation to a geophysical survey at the Hywind Scotland Pilot Park, I can inform you that the conditions for issue of a licence have been met and a copy of the licence, MS EPS 12/2016/0 is enclosed. Please quote the licence number should you require to contact us again regarding this matter.

I am obliged to draw your attention to the conditions contained within the licence, as detailed by our advisors. Under *The Conservation (Natural Habitats, &c.) Amendment (Scotland) Regulations 2007*, it is an offence to fail to comply with those conditions.

You will note that the licence runs to 31 October 2016. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely
