BOWL Ref: LF000005-LET-540

Dear Catarina,

**BOWL Section 36 Consent Condition 33 (Offshore Wind Farm) Fisheries Liaison Officer**

I am writing to confirm that Courtney French of Brown and May Marine Ltd has replaced Rebecca Radford as the BOWL Fisheries Liaison Officer, under the requirements of Section 36 consent condition 33. Ms French has assumed all the duties previously described in our letter of 1<sup>st</sup> August 2014 (LF000005-LET-066); namely

- Managing the Moray Firth Offshore Wind Developers Group – Commercial Fisheries Working Group
- Maintaining effective communications between the Company, its contractors or sub-contractors and fishermen and other users of the sea with regard to the project
- Ensuring that relevant stakeholders receive information relating to the safe operation of fishing activity on the wind farm site; and
- Ensuring that all relevant project updates are communicated to the appropriate stakeholders in a timely manner.

Ms French will be supported in this role by the team and resources available at Brown and May Marine Ltd. I enclose a copy of her CV for your information.
