Dear Jessica,

European Offshore Wind Deployment Centre Section 36 Consent Condition 26.

Please find enclosed for approval the Navigational Safety Plan (NSP) prepared on behalf of Aberdeen Offshore Wind Farm Ltd (AOWFL).

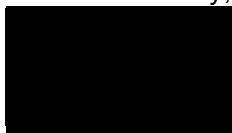

The purpose of the NSP is to provide the regulatory authority details of the measures that will be used to manage navigational safety throughout construction and operation of the Development.

It is considered that the enclosed NSP is sufficient to satisfy the requirements of Section 36 Consent Condition 26, providing that the NSP is implemented as approved.

We would be grateful if MS-LOT, on behalf of the Scottish Ministers, could please confirm in writing, following consultation, their approval of the enclosed NSP and that in this respect Section 36 Consent Condition 26 is fully discharged.

Should MS-LOT or consultees have any comments on the enclosed NSP, we would welcome them at your earliest convenience.

Yours sincerely,

Esther Villoria

Environment and Consents Manager
