Dear Ms Villoria,

MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

MARINE LICENCE 06359/17/1, ACOUSTIC DOPPLER CURRENT PROFILERS (“ADCPs”),

Condition 8, A copy of the licence must be provided to each contractor

Thank you for your email of 7th November 2017, providing Marine Scotland Licensing Operations Team (“MS-LOT”) with evidence in support of condition 8 of the Acoustic Doppler Current Profilers (“ADCPs”) Marine Licence, (licence number: 06359/17/1).

In the email you included two separate emails, the first email dated 18th August 2017 with supporting evidence confirming that a copy of the licence has been transferred to Partac Ltd, and a second email dated 2nd of August, showing the transfer of the licence to Boskalis.

MS-LOT, on behalf of the Scottish Ministers, can confirm that based on the information provided Vattenfall at the European Offshore Wind Deployment Centre (“EOWDC”) is in compliance with condition 8 of the ADCPs Marine Licence (licence number: 06359/17/1) and that this evidence is also sufficient to fully discharge this condition.

Yours sincerely,

Jessica Drew
