Our Ref: 8 018/OW/AOWFL – 9

9<sup>th</sup> February 2018

Dear Ms Villoria,

**ELECTRICITY ACT 1989**

*The Electricity Works (Environmental Impact Assessment) (Scotland) Regulations 2017*

Thank you for your correspondence dated 31<sup>st</sup> January 2018 confirming that Aberdeen Offshore Wind Farm Limited (“AOWFL”) have provided the Defence Geographic Centre (“DGC”) with the positions and maximum heights of the wind turbines and construction equipment prior to the Commencement of Works, as per the terms of Condition 12 of the Section 36 Consent issued on 26<sup>th</sup> March 2013 in respect of the European Offshore Wind Deployment Centre (“EOWDC”).

MS-LOT, on behalf of the Scottish Ministers, can confirm that based on the information provided, AOWFL is in compliance with Condition 12 of the Section 36 consent.

Upon Completion of the Works, AOWFL should supply the DGC and the Civil Aviation Authority with the final as-built heights and locations of the wind turbines in order to fully discharge Condition 12 of the Section 36 Consent.

Yours sincerely,

Jessica Drew  
Marine Scotland Licensing Operations Team
