9th April 2018

Dear Ms Villoria,

THE ELECTRICITY ACT 1989 (AS AMENDED)

THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017 AS AMENDED)

CONDITION 18 – CONSTRUCTION NOISE MANAGEMENT PLAN

Thank you for your correspondence of 5th April 2018 requesting that Marine Scotland Licensing Operations Team (“MS-LOT”) give their written approval to Revision 4 (issued 04/04/2018) of the Construction Noise Management Plan (“CNMP”).

A previous version of the CNMP (Revision 2, issued 10/07/2017) received multi-stage and regulatory consent from MS-LOT, on behalf of the Scottish Ministers, in a letter dated 8th September 2017 and deemed it sufficient to fully discharge condition 18 of the Section 36 consent, subject to it being fully implemented. Subsequently, revision 3 (issued 24/01/2018) was approved on 26th January 2018.

MS-LOT, on behalf of the Scottish Ministers, can confirm that based on the information detailed in Revision 4 of the CNMP, that Aberdeen Offshore Wind Farm Limited (“AOWFL”) is in compliance with condition 18 of the Section 36 consent.

MS-LOT, on behalf of the Scottish Ministers therefore confirm their approval of the revised CNMP (Revision 4, issued 04/04/2018). Any further updates or amendments made to the CNMP by the Company, must be submitted in writing by the Company to the Scottish Ministers for their written approval prior to the planned implementation of the proposed amendments or updates.

Yours sincerely,

Nicola Bain
Marine Scotland Licensing Operations Team
