

The chart displays a coastal area with depth contours ranging from 10m to 50m. A grid of coordinates is overlaid, with latitude (N66 12 200 to N66 12 800) and longitude (W53 37 800 to W53 36 800) markings. Key features include:

- Shuna**: A large landmass on the right side of the chart.
- Barge Centre**: A point marked on the chart near the center.
- Position of Least Depth (N66 12.228 W536.893, 14.4m)**: A specific location marked on the chart.
- Depth Contours**: Lines indicating depth, with labels such as 10m, 20m, 30m, 40m, and 50m.
- Navigation Markers**: Various symbols including a blue triangle, a red triangle, and a red circle.
- Inset Map**: A small map in the top right corner showing the location of the chart area within a larger regional context.

Extent of Moorings delineated in red, mooring grid delineated in grey
