

Marine Licence Application for Pontoons

Version 1.0

Marine (Scotland) Act 2010

It is the responsibility of the applicant to obtain any other consents or authorisations that may be required.

Under Section 54 of the Marine (Scotland) Act 2010, all information contained within and provided in support of this application will be placed on a Public Register. There are no national security grounds for application information not going on the Register under the 2010 Act.

Public Register

Do you consider that any of the information contained within or provided in support of this application should not be disclosed:

- (a) for reasons of national security; YES ☐ NO ☒
- (b) for reasons of confidentiality of commercial or industrial information where such confidentiality is provided by law to protect a legitimate commercial interest? YES ☐ NO ☒

If YES, to either (a) or (b), please provide full justification as to why all or part of the information you have provided should be withheld.

WARNING

It is an offence under the Act under which this application is made to fail to disclose information or to provide false or misleading information.

Target duration for determination is 14 weeks. Please note that missing or erroneous information in your application and complications resulting from consultation may result in the application being refused or delayed.

Marine licence applications will not be accepted unless accompanied by a cheque for the correct application fee, or if an invoice is requested, until that invoice is settled. Target timelines for determining applications do not begin until the application fee is paid.

Declaration

I declare to the best of my knowledge and belief that the information given in this form and related papers is true.

Dear Redacted

CROWN ESTATE SCOTLAND – PONTOON REFURBISHMENT & EXTENTION

I refer to your application for European funding for refurbishment and extension of the existing pontoons. I understand you expect to receive a decision on whether your funding application has been successful on the 6th December 2018.

In relation to this funding application, I can confirm on behalf of Crown Estate Scotland that there is no objection to the proposed refurbishment and extension of the pontoon and, so far as the interests of Crown Estate Scotland under their charge are concerned, hereby consent to the works subject to ensuring all the necessary permissions and consents are obtained.

Please provide as built plans when available and should the footprint of the works extend out with the area currently leased to you, it will be necessary to apply to the Crown Estate Scotland for a variation to the lease.

Your faithfully
