The agent or licensee must notify the licensing authority immediately if a vessel not listed on the licence is to be used for the discharge of used chemical(s) or agent(s). The information required by the licensing authority regarding the additional vessel(s) will be the same as the information already provided for the vessels on the existing licence. **Discharge operations using any additional vessel(s) may only commence if a revised licence, including details of the additional vessel(s), is issued by the licensing authority.**
