Dear Mrs Pirie,

Application to Disturb Marine Species, Moray Offshore Windfarm (East)  
Limited

Further to your application dated 9<sup>th</sup> July 2018 for a EPS licence to cover construction activities for the Moray Offshore Windfarm (East) and a maximum of 4 offshore substations, I can inform that the conditions for issue of a licence have been met and a copy of the licence MS EPS 31 2018 1 is enclosed. Please quote the licence number should you require to contact us again regarding this matter.

You will note that the licence runs to 30 September 2021. If a new licence is required, it should be applied for before this licence expires to allow a possible extension rather than a complete new application.

Yours sincerely
