Hi Jessica,

Just to confirm SNH have no comments to make on this exempted activity at Aberdeen Bay.

Also to let you know that I'm now SNH's case lead for Aberdeen Bay wind farm in relation to the offshore works. So for future reference, please send any consultations on the offshore activities to: MARINEENERGY@snh.gov.uk

Cheers,

Catriona

Subject: AOWF: Exempted activity notification form

Dear Sir/Madam

Marine Scotland Licensing Operations Team (MS-LOT) have received the attached proposal for a geotechnical investigation at the location of the European Offshore Wind Deployment Centre (EOWDC) from Aberdeen Offshore Windfarm Limited (AOWFL). As this will entail cone penetration activity with no sediment removal, it could potentially be an exempt activity under Part 3, Article 18B of The Marine Licensing (Exempted Activities) (Scottish Inshore Region) Order 2011 (as Amended) (available [here](#) and amended [here](#)).

Should you have any comments on this proposal, I would be very grateful if they could be forwarded to MS-LOT in an electronic format to MS.MarineRenewables@gov.scot before the 3rd August 2016.

Yours faithfully

Jessica Drew
