Dear Mr Hailes,

MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

OPERATION AND MAINTENANCE MARINE LICENCE: CONDITION 3.2.1.4

Thank you for your correspondence dated 29 March 2019 requesting that Marine Scotland Licensing Operations Team (“MS-LOT”) give their written approval to the Emergency Response Cooperation Plan (“ERCoP”) for the Levenmouth Demonstration Turbine (“LDT”). Acceptance of the ERCoP will satisfy the requirements of condition 3.2.1.4 of the operation and maintenance marine licence (licence number: 06652/18/0).

MS-LOT, on behalf of the Scottish Ministers, have consulted with the Maritime and Coastguard Agency and can confirm that the submitted ERCoP fulfils the requirements of, and is sufficient to discharge condition 3.2.1.4 of the operation and maintenance marine licence, subject to it being implemented.

The ERCoP is a live document, and it will be updated or amended by the Licensee, as and when new relevant information becomes available. Any updates or amendments made to this ERCoP by the Licensee, must be submitted in writing by the Licensee to the Licensing Authority for their written approval.

Yours sincerely,

Rebecca Bamlett
Marine Scotland Licensing Operations Team
