Dear Redacted

**MORAY OFFSHORE WINDFARM (EAST) LIMITED
SECTION 36 CONSENT CONDITION 17 (PART F), OSP MARINE LICENCE
CONDITION 3.2.2.18 & OfTI MARINE LICENCE CONDITION 3.2.2.9
(EMERGENCY RESPONSE COOPERATION PLAN (ERCoP))**

Thank you for your correspondence dated 16 November 2018 regarding the submission by **MORAY OFFSHORE WINDFARM (EAST) LIMITED** of the proposed Emergency Response Cooperation Plan (ERCoP), to satisfy the above conditions of consent, relating to the installation and operation of wind turbines, offshore substations and the associated electrical interconnecting and export cables at their wind farm site in the outer Moray Firth.

Northern Lighthouse Board note that this plan applies to the Construction and Operational phases of the windfarm, and that we would require to be consulted on the ERCoP submitted covering the decommissioning phase.

We are content with the details contained within the ERCoP, and are satisfied that recommendations for the marking and lighting for both the construction and operational phases contained within the document are consistent with that of the previously submitted Lighting and Marking Plan (LMP).

We will continue regular communications with **MORAY OFFSHORE WINDFARM (EAST) LIMITED** and their representatives as the project progresses to ensure the mariner is best informed of any works being carried out in relation to the project, and that these are marked in the most appropriate manner.

Please advise if we can be of any further assistance, or require clarification any of the above.

We would appreciate any comments you may have on the attached documents, in order to determine whether it is fit for purpose for the Scottish Ministers to give it their written approval. Please note that we do not seek comments on the section 36 Consents nor the Marine Licences, which will not be amended.

If you wish to submit any comments, please do so to MS.MarineRenewables@gov.scot before the **14th December 2018**.

I would appreciate if you could acknowledge receipt of this email.
