Dear Redacted

ELECTRICITY ACT 1989 (AS AMENDED)

Moray Offshore Renewables Limited (Telford Offshore Wind Farm, Stevenson Offshore Wind Farm and MacColl Offshore Wind Farm, formerly MORL, now Moray Offshore Windfarm (East) Limited “Moray East”)

Section 36 Consents (as varied): Condition 11

Thank you for your correspondence requesting that Marine Scotland Licensing Operations Team (“MS-LOT”) give their written approval to updated Piling Strategy (“PS”) (File Name: 8460001-PCA0010-MOR-REP-007) and the updated Appendix 7 – Phased Piling Mitigation Strategy (File Name: 8460001-PCA0010-MOR-REP-015) issued on 23 April 2019.

A previous version of the Piling Strategy, including Appendix 7, (issued 8 December 2016) received regulatory consent from MS-LOT, on behalf of the Scottish Ministers, in a letter dated 16 February 2017 which deemed it sufficient to fully discharge condition 11, subject to it being fully implemented.

MS-LOT, on behalf of the Scottish Ministers, can confirm that based on the information detailed in updated PS and Appendix 7, that Moray East is in compliance with condition 11 of the s.36 consents (as varied).

MS-LOT, on behalf of the Scottish Ministers therefore confirm their approval of the revised PS and Appendix 7 (Issued 23 April 2019). Any further updates or amendments made to the PS (including updates to any if its appendices), must be submitted in writing by Moray East to the Scottish Ministers for their written approval prior to the planned implementation of the proposed amendments or updates.

Yours sincerely,

Redacted
Marine Scotland Licensing Operations Team
