Subject: Alteration of License
Date: 19 October 2023 09:54:32

To the Team at Marine Scotland,
as Secretary of the Luing Moorings Association I would like to submit a variation request after our recent application under the Marine (Scotland) Act 2010, Pt.4, Marine Licensing: MS-00010286 (as kindly advised by Marine Licensing Officer Louise Treble). Owing to an administrative error on my part, I submitted this application for a total of 92 moorings.

However our agreement with the Crown Estates covers us for 93 moorings. The discrepancy relates to the Ardinamir-Cuan Sound area, which should cover 30 moorings, rather than the 29 now listed in our Marine License which are all currently in use. We would like to restore the capacity to 30 so as to be able to install another mooring (although we do not yet have a precise location for this within the area).

My apologies for creating extra work for Marine Scotland,
With regards,
Graeme Stones (LMA Sec.)
