8705620

Denmark

The agent or licensee must notify the licensing authority immediately if a vessel not listed on the annex one is to be used for dredge and disposal. The information required by the licensing authority regarding the additional vessel(s) will be the same as the information already provided for the vessels on the annex one. Discharge operations using any additional vessel(s) may only commence if a revised annex one, including details of the additional vessel(s), is issued by the licensing authority.
