Marine Licence Application for Moorings

Version 1.0

Marine (Scotland) Act 2010

It is the responsibility of the applicant to obtain any other consents or authorisations that may be required.

Under Section 54 of the Marine (Scotland) Act 2010, all information contained within and provided in support of this application will be placed on a Public Register. There are no national security grounds for application information not going on the Register under the 2010 Act

Public Register

Do you consider that any of the information contained within or provided in support of this application should not be disclosed:

- (a) for reasons of national security; YES NO
- (b) for reasons of confidentiality of commercial or industrial information where such confidentiality is provided by law to protect a legitimate commercial interest? YES NO

If **YES**, to either (a) or (b), please provide full justification as to why all or part of the information you have provided should be withheld.

WARNING

It is an offence under the Act under which this application is made to fail to disclose information or to provide false or misleading information.

Target duration for determination is 14 weeks. Please note that missing or erroneous information in your application and complications resulting from consultation may result in the application being refused or delayed.

Marine licence applications will not be accepted unless accompanied by a cheque for the correct application fee, or if an invoice is requested, until that invoice is settled. Target timelines for determining applications do not begin until the application fee is paid.

Declaration

I declare to the best of my knowledge and belief that the information given in this form and related papers is true.

6. Scotland's National Marine Plan

Have you considered the application with reference to Scotland's National Marine Plan?

YES NO

If **YES**, provide details of considerations made including reference to the policies that have been considered:

I have read the whole of Scotland's National Marine Plan and with respect to this application refer to the relevance of item 13:28 Habitat Loss / Damage which relates that moorings, anchoring and chain rotation can damage sensitive habitats and disturb upper layers of seabed sediment and potentially harm heritage assets.

Additionally, I have reviewed the Marine Protected Areas Project; Active and Inactive Aquaculture Sites and noted the relevant local area detail of the area from Loch Sunart to the Sound of Jura (MPA).

If **NO**, please provide an explanation of why you haven't considered the National Marine Plan?

7. Consultation

List all bodies you have consulted and provide copies of correspondence:

8. Associated Works

Provide details of other related marine projects, including reference/licence numbers (if applicable):
