# Marine Licence Application for Finfish and Shellfish Farms

Version 1.0

## Marine (Scotland) Act 2010

It is the responsibility of the applicant to obtain any other consents or authorisations that may be required.

Under Section 54 of the Marine (Scotland) Act 2010, all information contained within and provided in support of this application will be placed on a Public Register. There are no national security grounds for application information not going on the Register under the 2010 Act.

Public Re	egister	
	onsider that any of the information contained within or provided in support of the disclosed:	of this application
(a) for i	reasons of national security;	S NO
	reasons of confidentiality of commercial or industrial information where such copy law to protect a legitimate commercial interest?	onfidentiality is
	either (a) or (b), please provide full justification as to why all or part of the info should be withheld.	ormation you have

#### WARNING

It is an offence under the Act under which this application is made to fail to disclose information or to provide false or misleading information.

Target duration for determination is 14 weeks. Please note that missing or erroneous information in your application and complications resulting from consultation may result in the application being refused or delayed.

Marine licence applications will not be accepted unless accompanied by a cheque for the correct application fee, or if an invoice is requested, until that invoice is settled. Target timelines for determining applications do not begin until the application fee is paid.

#### Declaration

I declare to the best of m	y knowledge and belief that the information g	given in this form and related	papers is true.
