#### **CONSTRUCTION PROGRAMME - CONDITION 9 OF THE SECTION 36 CONSENT (AS VARIED)**

I refer to correspondence dated 7 July 2022 submitting a revised Construction Programme (“CoP”) to the Scottish Ministers for written approval in accordance with condition 9 of the Seagreen Alpha Offshore Wind Farm Section 36 consent.

A previous version of the CoP received approval from Marine Scotland Licensing Operations Team (“MS-LOT”) on behalf of the Scottish Ministers on 28 April 2022.

MS-LOT, on behalf of the Scottish Ministers, hereby approve the amended CoP following consultation with NatureScot, the Northern Lighthouse Board, the Maritime Coastguard Agency, the Ministry of Defence, Scottish Environment Protection Agency, the Royal Society for the Protection of Birds, Carnoustie Golf Links Management Committee, Angus Council, Dundee City Council, Fife Council, East Lothian Council and the Scottish Borders Council.

Any further updates or amendments made to the CoP must be submitted in writing to the Scottish Ministers for their written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the Scottish Ministers, all works must proceed in accordance with the approved CoP.

Yours sincerely,
