I refer to correspondence dated 18 December 2024 in which Seagreen Wind Energy Limited, on behalf of the Company, submitted a revision to the OWF OMP dated 18 December 2024.

The OMP received multi-stage regulatory consent from the Marine Directorate - Licensing Operations Team (“MD-LOT”) on behalf of the Scottish Ministers in a letter dated 23 June 2022.

MD-LOT has consulted with Angus Council, Dundee City Council, East Lothian Council, the Joint Nature Conservation Committee, Maritime and Coastguard Agency, NatureScot, Northern Lighthouse Board, Royal Society for the Protection of Birds Scotland and the Scottish Environment Protection Agency on the revised plan. Following consultation, the Company submitted a final version of the revised plan dated 09 May 2025 for approval.

Any further updates or amendments made to the OWF OMP, including any amendments to its appendices, must be submitted to the Scottish Ministers by the Company, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the Scottish Ministers all activities must proceed in accordance with the approved OWF OMP.
