Dear Mr. Johnson,

**THE ELECTRICITY ACT 1989**

**MeyGen PLC (“the Company”)  
Company number SC347501**

**Section 36 Consent (as varied) – condition 17**

**Emergency Response Co-operation Plan (ERCoP”)**

I refer to your correspondence dated 16 June 2023 in which the Company submitted a revision to the Plan dated 08 December 2020.

The Plan received multi-stage regulatory consent from the Marine Directorate Licensing Operations Team (“MD-LOT”) on behalf of the Scottish Ministers in a letter dated 08 December 2020.

The Maritime and Coastguard Agency and Police Scotland were consulted and confirmed that they are content with the revised plan. Therefore MD-LOT, on behalf of the Scottish Ministers, approve the revised plan dated 16 June 2023.

Any further updates or amendments made to the revised plan, including any amendments to its appendices, must be submitted to the Scottish Ministers by the Company, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the Scottish Ministers all activities must proceed in accordance with the approved revised plan.

Yours sincerely,

Kate Taylor  
Marine Directorate - Licensing Operations Team
