30 September 2025

Dear Mr Howorth

Marine and Coastal Access Act 2009

**TotalEnergies E&P North Sea UK Limited (“the Licensee”)
Company Number 03682299**

Offshore Generating station marine licence – condition 3.2.11

Cable Plan (“CaP”)

I refer to your correspondence dated 26 March 2025 in which the Licensee submitted the CaP dated 26 March 2025.

MD-LOT has consulted with NatureScot, the Maritime and Coastguard Agency and the Scottish Fishermen’s Federation on the CaP. Following consultation, the Licensee submitted a final version of the CaP dated 9 September 2025 for approval.

MD-LOT on behalf of the licensing authority approve the CaP dated 9 September 2025.

Any further updates or amendments made to the CaP including any amendments to its appendices, must be submitted to the licensing authority by the Licensee, in writing for written approval prior to the planned implementation of the proposed amendments or updates.

Unless otherwise agreed in writing by the licensing authority all activities must proceed in accordance with the approved CaP.

Yours sincerely,

Amy Woodward

Marine Directorate - Licensing Operations Team
