MARINE (SCOTLAND) ACT 2010, PART 4 MARINE LICENSING

Dear ██████████

Thank you for your correspondence dated 13th September 2018 regarding condition 3.2.2.6 'Environmental Protection', of the marine licence for the construction and operation of the European Offshore Wind Deployment Centre ("EOWDC") (licence number: 04309/18/0).

Condition 3.2.2.6 states; '*The Ecological Clerk(s) of Works or liaison officer(s) (in respect of which condition 3.2.1.4 relates) must provide regular (frequency to be agreed with the Licensing Authority) reports to the Licensing Authority as to the compliance with the commitments made by the Licensee in the Environmental Statement, Supplementary Environmental Information Statement and the Project Environmental Monitoring Programme and all other plans and programmes provided by the Section 36 consent to include the Vessel Management Plan and the Construction Method Statement.*'

In compliance with condition 3.2.2.6 of the marine licence (licence number: 04309/18/0) the appointed Ecological Clerk of Works ("ECoW") for the EOWDC submitted monthly compliance report every 1st of the month during the construction phase. The construction phase ended on 17th September 2018 and the last ECoW report was submitted on 25th September 2018.

MS-LOT have reviewed the submitted monthly reports and is satisfied with the information reported. Therefore, MS-LOT, on behalf of the Scottish Ministers, can confirm that EOWDC have fulfilled the requirement of condition 3.2.2.6 of the marine licence (licence number:04309/18/0) and that the condition is now discharged.

Yours sincerely,

██████████
